Dear Harding High School Alumni Association:

I hope that each and every one of you had a fantastic holiday season. We are off and running again with the second semester of this school year at Harding Charter Preparatory High School.

HCP once again, received an A+ with a score of 108 on the Oklahoma State Department of Education A-F Report Card. This year we also have 3 National Merit Semi-finalists; those students will be notified if they are Finalists in the next couple of months. Also, 30 of our 114 seniors have been accepted to a college or university.

As always, we greatly appreciate all of the efforts that the Harding High School Alumni Association puts forth for Harding Charter Preparatory High School. The work that you continue to do for our school could not go unnoticed. We cherish the relationship that we have with each and every one of you individually, as well as the association in general.

Best Regards,

Justin Hunt
